

## Organelle Project Check List

So you think you are finished with your project?

Before you turn it in, make sure you included the following in your presentation:

(Check it off once done)

Did you.....

Completed

Include your names on slide 1	
Create a slide for each of the following organelles on slides 2-11	
<b>(Nucleus, Vacuole, Lysosome, Cytoskeleton, Ribosomes, ER, Golgi Apparatus,</b>	
<b>Chloroplast, Mitochondria, Cell membrane)</b>	
Include the name of each of those organelles in the title of its slide	
Describe the job/function of each organelle	
Name and describe function of a building with a similar function for each organelle	
Include a picture of each organelle	
Include a picture of each building	
Type all text in the left hand column	
Insert all pictures in the right hand column	
Proofread all of your slides for spelling errors	
Practice your presentation with your partner (make eye contact!)
